2020 Term 3

Kia ora Koutou

On Friday the Prime Minister announced that we will remain in Alert Level 2 until Wednesday 16 September. We thank you for your ongoing support as we manage the restrictions we've had to put in place, particularly the changes for drop off and pick up.

Drop Off

- Drop off is only available between 8.30-8.55am. Children should not be arriving at school before 8.30am unless they're attending YMCA.
- Drop off from the car is preferred - kiss and wave. Staff will be at each gate to welcome children and keep them safe.
- For some younger children and children with special needs, this may not be an option. In these cases, you can walk your child to their classroom, but you must hand sanitise and sign the contact tracing register in the room.
- Please only stay as long as necessary and leave the school grounds promptly after drop off.
- Students arriving after 9.00am must sign in at the office, as per our usual practice.

Pick Up

- Year 1-3 children and their siblings can be picked up from 2.40pm. All other Year 4-6 children will leave the grounds at 3.00pm.
- Younger children that walk home with older students will be encouraged to continue to do so. These students will be released together at 3.00pm.
- If possible, prearrange a pick up point with your child off site.
- If you need to pick up your child from their classroom, go straight there and wait outside the room where children will be released to you when you are seen through the windows. Room 17 parents will need to wait on the back deck.
- Teachers will have paper copies of caregiver pick up lists as the basis of the contact tracing register and will annotate this to indicate who has entered the grounds. If you're not on the list you will need to be added.
- Please only stay as long as necessary and leave the school grounds promptly after you have picked up your child.
- The playground will be closed during pick up.

Early next term we will be running our Spellathon fundraiser. The funds raised at this year's Spellathon will go towards buying new iPads for our junior classes. This event is our major annual fundraiser, so your support is really appreciated. We have made some big changes to the way we are going to run our Spellathon this year. We will be using the Givealittle website as a means in which to collect funds. This allows for cashless payments, reduces administration requirements, and also means that friends and families from afar can take part and sponsor our awesome tamariki. The Givealittle site will go live in the first week of Term 4, and we will provide you with some further information in order to get behind this event.

Over the last few weeks our children have been busy designing artwork to go on calendars \$12, diaries \$15, cards \$12, mouse mats \$15 or notepads \$12. You are able to order these now. They'll make wonderful gifts so please get your orders in by Friday 18 September.

CALENDAR ART

Calendar art orders close on Friday 18 September (NO LATE ORDERS SORRY). To view check your child's SeeSaw account. If you don't have access to this, please let us know. Pay online or bring form and money to the office. If paid online, please put your child's name and calendar art as a reference.

ENROLMENTS FOR 2021

The Board of Trustees has determined that there may be a small number of places available for new entrants and therefore invites applications from out of zone students turning 5 next year who wish to enrol at Trentham School during 2021. The exact number of places will depend on applications received from students within the school's zone.

Applications should be made on our Enrolment Form available from the school office or online at <https://enrol.etap.co.nz/>. The school code is 2099. The deadline for receipt of applications for out of zone places is **Wednesday 23 September 2020**. Parents of students who live within the home zone should also apply by this date to assist the school to plan appropriately for this year.

If the number of out of zone applications exceeds places available, students will be selected by ballot in accordance with our enrolment scheme, to be held on **Friday 25 September 2020**. Parents will be informed of the outcome of the ballot within 3 school days of the ballot being held.

Contact the School Office with any enquiries on 528 6485 or admin@trentham.school.nz.

MAHI TOI PERFORMANCE—MONDAY 7 SEPTEMBER

Big Mihi to all our Roopu in Mahi Toi for a great effort on Monday. You all looked amazing and worked so hard over the past weeks. Big mihi also to Room 11 and 12 who made the hieke. They looked amazing. I would like to thank Mr and Mrs Turner for all their hard work and also the helpers on the day. Big mihi aroha to Matua Sam for all your mahi! Thank you to the syndicates for allowing the extra practices.

The following tamariki have been chosen to represent Te Kura o Trentham at the marae in week 10. They will meet the rest of the group next week at Upper Hutt School; **Manea, Te Mauri, Isla, Luca and Haylen.**

As of this Thursday, Mahi Toi is open to year 4, 5 and 6's. This is an opportunity for others to join. We will be working towards a performance in Term 4 for our whānau.

Nā Matua Sam and Whaea Carol

Wheels Day

Friday 18 Sept: PPT Friday 25 Sept

Te Roopu Kaiarahi are organizing Wheels Day for Friday lunchtime, 18 September.

If the weather is unsuitable it will be postponed until Friday 25 September. Students may bring scooters, roller skates and skateboards on the day and will ride in allocated areas. Bikes are not included in Wheels Day due to space and safety issues.

Wheels are not to be ridden in the school grounds before or after school.

CAR PARKS

We have a reserved parking space in our school car park by the Dental Hub. It is the first park by the school and pedestrian gate. This car park has been reserved for one of our families who require the space for their special needs child. Please do not park here at any time. The space between the park and the fencing is not a car park and must also be kept clear.

Cars are also not to park along the white fence in this car park. There is no room for cars to move in and out of marked parking spaces due to cars parking along the fence. This is a safety concern for our students, parents and cars. Please be aware that this is a **NO** parking area.

NUDE FOOD DAY—FRIDAY 11 SEPTEMBER

Our Enviro Team have noticed an increase in wrappers and rubbish since returning back to school so we want to encourage more "nude food" coming to school. When you make your lunchboxes keep all the wrappers and pop them in your bin at home.

On Friday your children will earn 1 whānau point for every

item that is nude (not in it's wrapper or glad wrap) or in a reusable container/bag!

VALUE OF THE TERM— RESPONSIBILITY

RESPONSIBILITY/KAWENGA

When we are responsible we respond ably and appropriately. One of the most important ways this value can be demonstrated is by encouraging children to take responsibility for their own learning. Only when students fully engage in every classroom lesson is the potential of a learning activity released. Students show this by:

- having the right tools and equipment
- actively listening
- doing what is asked
- completing tasks on time

Home suggestion

Sing along with this song [Responsibility Song](#)

I will learn to take responsibility for my own learning and ensure my behaviour is acceptable. I will not blame other people when I get in trouble.

[Responsibility scenarios](#) - get into groups, discuss scenarios, act out being responsible/ not being responsible and share
