Dear Parents and Caregivers;

The board of Trustees cannot provide teaching for students during the upcoming primary teachers strike.

The NZEI has advised the Trentham School Board of Trustees that the principal and the teachers at our school will be taking strike action on **Friday 16th November 2018.**

The board has carefully considered the availability of teaching staff, and unfortunately decided that we cannot provide the normal teaching services during the strike.

It is important you make alternative arrangements for the care of your child / children on the day of the strike.

The school will need to close during this strike.

I know this is inconvenient for caregivers and students alike, but please be assured that student safety is our main concern.

Thank you for your understanding.

Please contact the school office if you have any questions relating to this decision.

Yours sincerely,
